## **RESEARCH EXPERIENCE**

---

**CLIMB Lab, University of Texas at Austin** Jul 2018 - May 2019/ Mar 2020 - Present

*Research Assistant*

*Supervisor: Kate Blackburn, Ph.D.*

- Co-lead trauma project identifying linguistic patterns of PTSD and C-PTSD
- Co-authored manuscript examining language use related to expected and unexpected trauma
- Coded thousands of Reddit posts to identify internal and external influences on trauma
- Collaborated with lab members to develop and implement codebook to identify the expectation of trauma
- Coordinated communication between the research team and out-of-state research assistant

**Trauma and Stress Studies Center, University of Houston** Oct 2019 - May 2020

*Post-Baccalaureate Research Assistant*

*Supervisor: Anka Vujanovic, Ph.D.*

- Reviewed latest PTSD/substance use disorder research and prepared weekly literature updates for lab members
- Assisted graduate student drafting IRB submission

**LEAP Lab, University of Texas at Austin** Jan 2018 - May 2019

*Undergraduate Research Assistant*

*Supervisor: Sarah Kate Bearman, Ph.D.*

- Coded medical records to identify evidence-based practices for pediatric consultation-liaison services
- Assisted with creating coding protocol
- Conducted systematic literature searches on psychosocial/behavioral interventions for transition-aged individuals
- Transcribed audio-recorded interviews

**Pennebaker Language Lab, University of Texas at Austin** Jan 2017 - May 2018

*Undergraduate Research Assistant*

*Supervisor: James W. Pennebaker, Ph.D.*

- Administered experiments to guide participants through procedures and record their body movement and blood pressure
- Scheduled appointment and maintained tracking database of participants
- Extracted and cleaned extremist groups language using text analysis program and SPSS
- Conducted two literature searches on the language of group identity and the effects of identity fusion on college students' health and well-being

- Coded participants' identity fusion level based on their writing of college experience

**Children Research Center, University of Texas at Austin**

Jun 2017 - Aug 2017

*Summer Research Assistant*

*Supervisor: Amber Williams, Ph.D.*

- Interviewed young children to investigate the perception of cross-race friendships
- Performed data management, including entry, cleaning, and merging interview data using SPSS

**WORK EXPERIENCE**

---

**Sheng Rong LLC**

Mar 2020 - Present

*General manager*

- Perform translation and interpretation between Chinese and English, including legal document, email, and live conversation
- Manage customer service support, including answering questions and resolving customer complaints
- Manage online delivery system and social media page
- Coordinate personal protective equipment supplies
- Drafted and implemented COVID-19 safety plan for the business based on latest public health guideline
- Assisted the business applying COVID-19 financial assistances

**HONORS & SCHOLARSHIPS**

---

University of Texas Dean's Honor list

2017 - 2018

Summer Bridge Scholarship Program

2015

**PROFESSIONAL AFFILIATION**

---

Student Member, Society for Personality and Social Psychology

2018 - 2019

**SKILLS**

---

**Language:** Chinese Mandarin (Native)

**Software:** Excel, SPSS, Qualtrics, LIWC (Linguistic Inquiry and Word Count), MEH (Meaning Extraction Helper), R, Python
